

High Frequency Skills for Reading - Illinois

3rd grade – Threshold is 59%

1. Literary Elements
2. Inferences/Conclusions
3. Summarizing/Main Ideas

4th grade – Threshold is 62%

1. Literary Elements
2. Inferences/Conclusions
3. Summarizing/Main Ideas

5th grade – Threshold is 60%

1. Literary Elements
2. Inferences/Conclusions
3. Summarizing/Main Ideas

6th grade – Threshold is 62%

1. Literary Elements
2. Author's Craft
3. Inferences/Conclusions

7th grade – Threshold is 62%

1. Literary Elements
2. Author's Craft
3. Inferences/Conclusions

8th grade – Threshold is 66%

1. Literary Elements
2. Inferences/Conclusions
3. Summarizing/Main Ideas

High Frequency Skills for Math - Illinois

3rd grade – Threshold is 60%

1. Units, Tools, Estimation and Applications
2. Computation, Operations, Estimations and Properties
3. Representation and Ordering

4th grade – Threshold is 64%

1. Units, Tools, Estimation and Applications
2. Computation, Operations, Estimations and Properties
3. Representation and Ordering

5th grade – Threshold is 53%

1. Properties of Single Figure & Coordinate Geometry
2. Units, Tools, Estimation and Applications
3. Computation, Operations, Estimations and Properties

6th grade – Threshold is 64%

1. Properties of Single Figure & Coordinate Geometry
2. Relationships Between & Among Multiple Figures
3. Units, Tools, Estimation and Applications
4. Computation, Operations, Estimations and Properties

7th grade – Threshold is 62%

1. Relationships Between & Among Multiple Figures
2. Units, Tools, Estimation and Applications
3. Computation, Operations, Estimations and Properties

8th grade – Threshold is 80%

1. Representations, Patterns & Expressions
2. Properties of Single Figure & Coordinate Geometry
3. Relationships Between & Among Multiple Figures
4. Units, Tools, Estimation and Applications
